## Where's Yamba?

Situated on the Far North coast of New South Wales in the Northern Rivers region, Yamba is located approximately 45 minutes north of Grafton and 1 hour south of Ballina by road.

Other towns worth visiting nearby include the charming riverside town Maclean. Iluka with it's UNESCO World Heritage listed rainforest, new and soon to be completed Sedgers Reef hotel, and, Brooms Head with it's vast coastline and rugged beaches.

## What's on offer?

A relaxed easy lifestyle, the best climate in the world (according to the CSIRO), dozens of sprawling beaches, the mighty Clarence River, and plenty of other things that don't involve sand and surf.

From sun-soaked bike rides, meandering through local produce markets, browsing boutiques, to sipping on cocktails at one of Yamba's many delightful restaurants and bars - there really is something for everyone.

## How to get to Yamba?

### By Car

Yamba is approximately 7 hours north from Sydney along the Pacific Highway and 3 hours south from Brisbane.

### By Bus

All major bus companies travel the Pacific Highway and have arrangements to stop either at Maclean CBD or on the Pacific Highway at the Ferry Park Tourist Complex on the outskirts of Maclean.

### By Rail

Trains arrive at Grafton City Railway station daily with connections to CountryLink buses.

### By Plane

Passengers can either arrive at Ballina, Coffs Harbour, Coolangatta or Brisbane airports. There is also a private air strip at Palmers Island available for aircraft landing.

### By Sea

The crossing of the Yamba bar is one of the safest on the east coast of Australia and is home to the Yamba Marina. For information on crossing the bar contact the Waterways Authority, the pilot station or the Iluka/Yamba Coastguard for conditions. There is also a ferry service from Iluka to Yamba: 0408 664 556 or [clarencriverferries@gmail.com](mailto:clarencriverferries@gmail.com)

# WORLD CLASS BEACHES

Main Beach, Yamba NSW 2464

**SPOOKY'S BEACH, ANGOURIE** - With its soft waves it's a popular place with families and beginners/intermediate surfers.

**BACK BEACH, ANGOURIE** - National park pass required. Slightly less crowded compared to the Point however is unpatrolled so best to watch out for rips and undertows.

**THE POINT, ANGOURIE** - Arguably the best surfing beach in the Yamba postcode, and, a world renowned surf break. Angourie Point attracts surfers from all over the world.

Angourie Point, Angourie NSW 2464

Angourie Blue Pools, Angourie NSW 2464

**MAIN BEACH** - A popular spot below the Pacific Hotel, Main Beach offers wheelchair access, an ocean pool, Yamba surf life saving club and the beloved 'The Kiosk' cafe. Patrolled during the weekends and during school holidays between September - Easter

**WHITING BEACH** - Ideal for wave-free swimming, Whiting Beach has a dog-friendly western end.

**TURNERS BEACH** - Next to the break wall, Turners Beach is a favorite for surfers and swimmers. It is patrolled through the summer season and is wheelchair accessible.

**PIPPI BEACH** - Perfect for dog owners, Pippi Beach has a patrolled northern end and a dog-friendly southern end.

**CONVENT BEACH** - A slightly lesser known beach, Convent is a good choice if you wanna beat the crowds.

**Surf Tip:** Yamba offers great surf year-round. For north winds, go to Pippi's or Turner's. For southerly winds, try Angourie Point or Main Beach and if its blowing west, you can surf everywhere.

**ANGOURIE BLUE & GREEN POOLS** - While not technically a beach, they are definitely a must see.
