APPRAISAL OF RENTAL VALUE – 31 MacDonald St, Dicky Beach

Thank you for the opportunity to appraise your Property for its rental value.

A Current Rent Analysis is enclosed, providing you with a range of rental value. I trust that the following information will be of assistance when considering the rental range provided.

When assessing the rental value of a Property, we take into account factors that assist in leasing your Property promptly. This includes comparison of similar properties, current vacancies and market trends. Obtaining a realistic rental value ensures that your Property is let as quickly as possible for a better financial return on your investment.

A range of rental value is provided so that you can make a sound decision based on your personal situation. The higher figure represents a rental which may be achieved given time, and may be used to test the market. The lower figure is one which may appeal to a Tenant quickly. Somewhere in between would be considered a reasonable market value to locate a suitable Tenant in a reasonable time frame.

It may depend on your personal situation as to the rent asked. If you require a Tenant urgently it may be better to consider starting at the lower figure appraised. You may choose to test the market to see if the higher figure can be achieved and see what feedback Tenants inspecting provide. We will keep you informed.

Our feedback to you is important so that we can both make practical and informed rental assessments and vary the rental amount as needed. Lessors using our management services are provided with a regular appraisal at the end of each lease or annually, whichever comes first. If possible, we aim at achieving a higher rent for Lessors although this depends on many factors such as the condition of Property and the market activity.

Our team would be delighted to manage your investment with your individual needs in mind. I will be in contact in the near future however, if in the meantime, I can answer any questions, please contact me on 0419 728 807 or michael@fncaloundra.com.au.

Yours faithfully
